

Managing Change

This course will equip you with the essential tools and strategies to successfully lead your team through organisational change.

Who is it for?

This Managing Change Workshop is for:

- Team Leaders, Supervisors
- Project Managers
- Managers at all levels

How will this workshop help me?

This workshop will equip you with the essential skills to:

- Understand the reasons for change - Learn about why change happens, the different levels of change and the benefits of change
- Understand the fundamentals of change management - Learn about different change models and their application
- Identify how people react to change - Learn to spot different reactions to change and help people work through the change process
- Develop effective communication strategies - Learn how to clearly communicate change initiatives to your team, addressing concerns and building buy-in
- Identify and address resistance to change - Develop strategies to overcome common barriers and foster a culture of change.

This workshop will be led by Lesley Sully who is an experienced HR and Management trainer and has worked with a variety of organisations both public and private sector.
